

EQ-HT-01 C HOT WATER

Sometimes you may suffer from minor muscle pain which does not require any medical attention. Equinox Hot Water Bottle EQ-HT-01 C is specially designed to give you relief from such pain. It provides you the heat therapy treatment and works as a natural body warmer. It can also be used in case of joint pains, muscular cramps, menstrual pains, muscle pull, stomach and back aches, arthritic and rheumatic pains, sports aches and pains. It contains a wide opening so that water can be filled easily without spilling on your hands.
